

AHS GIRLS SOCCER TEAM PHOTOS 2026

Dear Parents and Student Athletes,

I have the honor of taking team photos for the AHS Girls Soccer Team, and I want to give you the opportunity to order timeless, memorable prints if you so desire.

In past years I have experimented with online order processes, but this year I'm going to stick with an old-fashioned, a-la-carte paper order form (attached). Here's what to do:

- 1) Within a few days of taking the portraits, I will post the pictures to an online gallery on my website: <http://michaelrauwolf.com> → "Proofs" → "AHS Girls Soccer."
- 2) There may be several photos of your student to choose from. When you click an image, you'll see a number in the bottom left (ex. 15/128). Use this number to designate your choice(s).
- 3) Write the number of the photo you want in the left part of the form under "IMAGE #," then proceed to fill in the sizes and quantities you want.
 - a) Checks can be made out to Michael Rauwolf, with "Soccer Photos" in the memo. Or you can Venmo me at @Michael-Rauwolf.
- 4) Turn in the form and payment to Coach Gretchen **no later than Thursday, September 17th**. I will plan to place the order for the prints soon after.
- 5) Once placed, the order will likely arrive within a few days. I will deliver the prints to Gretchen, and you will be able to collect them from her.

Note: If you are interested in other options not available on the form (i.e., unique sizes, canvas or metal prints, etc. contact me and we can work out a quote for that.

I am available for other services as well: Family portraits, senior portraits, weddings, corporate headshots, and more. I also sell local scenic and wildlife fine art. Feel free to check out my websites if interested:
